The Romania Green Building Council is located in Central Bucharest, near the Sector 1 city hall or “Primaria - Sector 1” at the intersection of Nicolae TITULESCU Blvd. and Calea GRIVITEI.

By Walking, Bike or Metro Basarab metro station is located in the intersection Calea GRIVITEI with TITULESCU Blvd. It is the stop between Crangasi and Gara de Nord on the M2 Republica – Dristor 2 subway line. Make sure to use the TITULESCU exit, then walk on TITULESCU for one minute (past the Mega Image Supermarket) and turn left at the first walkway that cuts between two large apartment buildings. After the short walkway, turn right on the small street, then left on Strada Ialomicioarei. #21 will be midway down the block on your left. Our office is a 2 or 3 minute walk from the station.

By Uber or Taxi Strada Ialomicioarei is located near the intersection of Nicolae TITULESCU Blvd. and Calea GRIVITEI, as shown on the map. With GPS, most drivers have no problem finding the address.

We recommend the company “Taxi 2000” as their drivers know the area very well. They can be reached by dialing 9494 from a fixed line telephone or 0722-949494 from a mobile.
